How To Pay Your Rogers Bill

11-digit Bank Payment ID: 40325929400

There are many convenient options to pay your bill.

The fastest and easiest way is by setting up automatic payments from your chequing account or credit card.

To get started, go to rogers.com/automatic-payments or use the MyRogers app.

You can also make one-time payments every month:

- By signing in to your MyRogers account on rogers.com or the MyRogers app.
- By using our interactive phone system: dial *CARD (*2273) for free from your Rogers wireless device or 1-888-ROGERS-1.
- At any Rogers retail location (please bring this bill).
- At most major Canadian financial institutions. Please allow 2 to 5 business days for your payment to reach us.

If we do not receive payment by the Required Payment Date, it will be subject to a late payment charge of 3% per month. This late payment charge will accrue on a daily basis and will be calculated and compounded monthly on the outstanding amount (42.58% per year) from the date of the first bill on which it appears until the date we receive that amount in full.

To see our complete terms of service, visit rogers.com/terms or contact us.
